

Privacy policy – Pushpay events

1. **Your privacy:** Pushpay Inc. (“**Pushpay**”) is committed to ensuring the privacy of all users’ (“**Users**”) information.
2. **Application:** This Privacy Policy applies to all personal information submitted by Users on www.pushpayevents.com (the “**Website**”) and any information that may be automatically retrieved through the use of the services Pushpay offers on the Website (the “**Services**”).
3. **Consent:** By accessing the Website and using the Services, all Users consent to the collection, use, disclosure, storage and processing of their information in accordance with this Privacy Policy.
4. **Changes to Privacy Policy:** Pushpay may amend or update this Privacy Policy from time to time, with or without notice to Users. All Users agree to be bound by the Privacy Policy that is in effect at the time they access the Website or use the Services.
5. **Personal information:** In order to use certain Services on offer, Users may be required to submit personal information such as their email address, name, address, telephone number, gender and date of birth. Users may be asked to submit further information from time to time.
6. **Use of information:** The personal information that Users provide will only be used in relation to the Services offered by Pushpay, to communicate with Users in relation to the Services or to co-operate with any government, industry or regulatory authorities.
7. **Disclosure of information:** Unless expressly authorised to do so by the relevant User, Pushpay will not disclose any User’s personal information to any third party except where disclosure relates to the purposes for which the information was collected (as stated in paragraph 6 above).
8. **Access to and updates of information:** Users may request at any time to see the personal information that Pushpay holds on its behalf or to correct or update any personal information (to the extent that Users are unable to do so on the Website).
9. **Storage of information:** Pushpay will securely store Users’ personal information in United States of America or in any other country which Pushpay may from time to time offer its Services. Users’ personal information may therefore be transferred outside of United States of America.
10. **Retention:** Pushpay will hold Users’ personal information for as long as Pushpay is lawfully entitled to do so.
11. **Security:** Users are responsible for maintaining the security of their account and password. Pushpay will not be liable for any loss or damage if a User fails to comply with this security obligation.
